

## Blarney Stone Farms Ltd.

Blarney Stone Farms is once again proud to offer summer riding camps to all levels and ages. With the success of our camps over the previous years, we hope to see familiar faces returning and have the opportunity to meet new people. We will endeavour to give all our students a good foundation in basic riding and horsemanship skills as well as creating a fun environment to ride and learn in.

Camps are open to anyone aged 6 and up and about 4 feet tall. all experience levels are welcome.

No more than 13 students are taken each week. These students will be split into two groups based on ability and age (as closely as possible)

Our week long day camps run Monday to Friday, from 9-4. Students will ride two times per day (once in the am and once in the pm) Except on Monday they will ride once in the PM. When they are not riding they will be learning safety, care and groundwork as well as other fun and exciting horse facts and Games.

Parents are strongly encouraged to attend the show on the Friday afternoon. This is a chance for the students to show off their new skills and all the hard work that they did throughout the week.

### **Required:**

- proper footwear (English boots with a one inch heel are preferred) students can bring running shoes for when they are not on the horse.
- riding helmet (Unlike other years it is now required to have a certified riding helmet for the safety of your child) helmets can be purchased any tack store we recommend Tudor tack and Greenhawk.
- bring a lunch and snacks.
- dress appropriate for the weather (including sunscreen and bug spray)

Below is our registration form. Please read carefully and fill in appropriately.
